

Hydrological Solutions, Inc.
EZ-Roller System
800/245-0199

www.hydrologicalsolutions.com

EASY TO STORE

QUICK TO USE

JOB IS COMPLETE

How does it work?

The EZ-Roller rolls your WIPP and Aqua-Barriers in minutes using just 2 people! Providing an even roll every time due to its double ratchet roller relationship. After tucking a small portion of the barrier into the slotted roller and inserting both ratchet arms you move the handle bars in opposite directions. The device rolls forward rolling up your WIPP and Aqua-Barriers in just minutes.
